Plaintiff

v.

John Potter, Postmaster General

Defendant

**United States District Court
Northern District Court
Statement of Case**

Honorable Judge Alsup:

I worked as a U.S. Rural Postal Carrier for a short time because I was fired fraudulently in retaliation after I complained of extremely hostile work environment in which I was assaulted and harassed on a regular bases by not only co-worker but also the supervisors who were put over us and not monitored by the Postmaster or manager, my civil rights were violated, I was lynched by rouge postal employee's at that location who targeted certain individual for unfair treatment and then separation from their job if they complain. I went through the EEO and EEOC process and have successfully filed my case in the United States District Court in a timely manner seeking justice for myself requesting compensation as well as for all the guilty individuals to be punished, demoted and/or dismissed from their postal duties because I have been grossly wronged, there must be stiff penalties for every offense/violation that has been proven and for all the individuals who have lied, perjured themselves after they swore to tell the truth. (NO ONE SHOULD EVER) experience what I encountered. I AM A UNITED STATES CITIZEN; all these atrocious acts were towards my person which I'm still suffering from some of the injuries that I will never fully recover totally. There should be stiff penalties against the defendant John Potter, Postmaster General. I'm pleading with you for justice, relief and everything I've asked for in the resolution and requesting that you appoint an Attorney to help me calculate the monetary award (tbd) owed to me. I was innocent and was punished.

Sincerely,

**Katherine Williams
